WHEREAS, Sumter County has seen extensive population growth since the provisions of the Sumter County Code of Ordinances and Land Development Code addressing the record platting of recreational vehicle parks were last revised; and

WHEREAS, the Board of County Commissioners recognizes the need for the option to provide for the record platting of recreational vehicle parks to respond to market conditions;

NOW THEREFORE BE IT ORDAINED by the Board of County Commissioners of the Sumter County, Florida as follows:

SECTION I: AMEND DEFINITIONS OF RECREATIONAL VEHICLE PUD AND SUBDIVISION. Chapter 13, Article I, Section 13-41 of the Sumter County Code is hereby amended in that the following definitions of “Recreational vehicle PUD (RVPUD or RV Park)” and “Subdivision” are amended as follows (~~strikeout~~ text is deleted and underline text is added):

Recreational vehicle PUD (RVPUD or RV Park) means a tract of land ~~under one ownership and management~~, designed, constructed and commercially operated to provide four (4) or more camping sites and supporting facilities for the accommodation of recreational vehicles and/or tents, ~~for either direct or indirect remuneration of the owner, lessor or operator of such park.~~ The term also includes buildings and sites set aside for group camping and similar recreational facilities. For the purposes of this chapter, the terms “campground”, “camping resort”, “RV resort”, “travel resort”, “travel park”, and any variations of these terms, shall be considered synonymous with the term “recreational vehicle park”.

Subdivision means:

- (1) The process, act or land resulting from dividing, separating or splitting a parcel, lot or tract of land into two (2) or more parcels, lots, tracts, building sites or other divisions for the purpose of transfer of ownership, building or other development (whether immediate or future); or
- (2) Any division of land involving the dedication of a new street or a change in existing streets, or the provision of other public facilities or improvements, whether publicly or privately owned, including, but not limited to, drainage facilities and utilities; or
- (3) Any resubdivision of an existing subdivision, whether recorded or unrecorded; or

- (4) The development process of mobile home parks and recreational vehicle parks which involves the division of any parcel of land into two (2) or more lots, for the purpose of ~~rental, lease or sale~~, time sharing or membership arrangements.

SECTION II: RECORD PLATTING OF RECREATIONAL VEHICLE PARKS.

Chapter 13, Article I, Section 13-171(b)(2)(b) of the Sumter County Code is hereby amended as follows (~~strikeout~~ text is deleted and underline text is added):

Record plat. All subdivision of residential property for medium or major development or recreational vehicle park subdivisions shall be required to prepare, and file with the County Clerk, a record plat of the development in accordance with Chapter 177, F.S. See Ch. 177 F.S. and Appendix A for specific requirements for record plats.

Chapter 13, Article III, Section 13-332(a)(8)(b)(1) of the Sumter County Code is hereby amended as follows (~~strikeout~~ text is deleted and underline text is added):

1. *Purpose and intent.* The purpose and intent of this zone is to provide lands which are suitable for providing camping facilities for the traveling public on a temporary or transient basis, and facilities for "extended occupancy" camping for semi-permanent residents, on relatively large tracts of land ~~under unified ownership or control~~, while encouraging coherent, flexible and creative concepts of site planning which:
 - a) Require that a RVPUD be ~~under unified control~~, and planned and developed in a single development operation or programmed series of development operations for recreational vehicles and related uses and facilities. ~~It is not the intent of these RVPUD regulations to provide for individual lot ownership and therefore no single RV site, or group of sites less than the minimum area required for the RVPUD zone, shall be sold, or ownership transferred in any way at any time.~~
 - b) Establish appropriate standards for the location, development and operation of RVPUDs which provide an environment in which these facilities may be located in an outdoor setting, and to provide a means whereby such uses occurring upon the land will be compatible with surrounding properties.

SECTION III. CONFLICTS AND REPEALER. This Ordinance shall be cumulative of all provisions of the ordinances of the Sumter County, Florida, except where the provisions of this Ordinance are in direct conflict with the provisions of such ordinances, which event all ordinances or parts thereof in conflict with this Ordinance are hereby repealed to the extent of such conflict.

SECTION IV. CODIFICATION.
